EFT AGREEMENT

I request and authorize The Commerce Insurance Company to debit my bank account as payments on this policy or its replacement become due. If a debit is dishonored, the bank will not have any liability, even if the dishonored payment causes the cancellation of my insurance policy. I will be charged the applicable return transaction fee when payments are dishonored. This authority is to remain in full force until Commerce Insurance Company and the bank have each received written notice from me of its termination, in such time and manner as to afford Commerce Insurance Company and the bank a reasonable time to act upon it. You may not designate the account of your agent, broker, or exclusive representative producer for premium withdrawals. Commerce reserves the right to disapprove the bank account you use for withdrawals. By signing this authorization, I acknowledge that I have read and agree to the conditions set forth in this agreement. Mail this completed form and a VOIDED CHECK, along with your current payment and the payment stub from your bill. If transfers will be from a savings account, no voided check is required.
